

## Engineering Services Rate Sheet

### Hourly Rates:

Service	Straight-time	Overtime & Weekends*
Engineering	\$150.00	\$300.00

\* - On national holidays and their associated weekends all hours will be billed at double time. Rates are subject to change without notice.

### Rates & Charges:

1. Straight-time rates apply to all time worked or traveled during the normal eight-hour workday. The normal eight-hour workday is defined as any consecutive eight-hour day shift period (Monday through Friday – Holidays excluded) between the hours of 7 AM and 6 PM, with an allowance for lunchtime.
  - a. The above rates apply to assignments within the Continental US. A 20% surcharge will be added for all other assignments.
2. Travel time will be billed at the straight-time hourly rate (except on specific holidays and their associated weekend as specified above) and will include travel to and from The Dothea Group headquarters.
3. The overtime rate applies to all hours worked including travel time to site more than the normal eight-hour workday and all work hours on Saturdays, Sundays, and Holidays.
4. All assignments have a minimum charge of four (4) hours including travel time.
5. All rates are exclusive of all travel and living expense.
  - a. Mileage between The Dothea Group Office or Hotel and destination is charged at \$0.75/mile.
  - b. All engineering hours are to be invoiced port to port for engineering plus travel expenses at cost plus 10%.
6. Other Charges - The following charges will be in addition to the rates listed above:
  - a. Expendable Small Tools, Special Tools, and Equipment: When a particular job requires the furnishing of some small expendable tools or specialized tools, equipment, and or instruments not normally carried by an engineer, will be billed. The charge will be either the cost of the acquisition or a rental charge for this equipment.
  - b. Additional cost for PE stamping and calculation packages.
7. If job is delayed for 20 days after work has commenced, an invoice will be submitted for the percent complete of the quoted price and a final invoice will be submitted upon completion of all deliverables.
8. The Dothea Group, LLC will submit statements for services provided, as well as for all reimbursable expenses in periodic statements. All invoices are to be paid promptly within 30 days of receipt. The Dothea Group, LLC maintains the right to suspend engineering services upon written notice to Buyer if past due amounts are not paid in full. Payment to The Dothea Group, LLC shall not be impacted by the payment status or withholdings to contractors.
